SQUOOSE

AGE 3+

Matt is different somehow. His squirrel brothers and sisters leap from tree to tree, turn somersaults, and chase each other around ... Matt can't do any of those things with his moose antlers. Because Matt is a squoose. But when winter comes and his family can't find where they hid their nuts and acorns, it's Matt's turn to shine.

I NEED TO DO A WEE

AGE 4+

now available as board book!

“When I was little, I wore nappies. That was easy because I didn't have to go to the loo. But nappies are for babies. My friends and I are big boys now. Of course, we no longer wear nappies – but that doesn't make life any easier. Naturally, I can have a wee-wee standing up. I am a boy, after all. But I'm not allowed to do that at home.” And why doesn't this rule apply to department stores? It's all very confusing. Grown-ups don't make sense, do they?
